

AE 590 Seminar Series Policy

January 2006; Revised 2012

- (1) All MS degree students are required to register for AE 590 every semester in residence. Commuting distance is not grounds for waiving the seminar requirement.
- (2) All PhD degree students must register for AE 590 for four semesters beginning with entrance into the PhD candidate program.
- (3) All students registered in AE 590 are required to attend **ALL** AE seminars each semester.
- (4) Students may make-up attendance by attending another seminar on campus, writing a half page summary of the seminar, having their advisor approve the summary, and submitting the summary to the AE 590 instructor for credit.
- (5) Students that receive a U grade for AE 590 will not be allowed to progress in their degree program until they have fulfilled their missing work. Make-up work to fulfill AE 590 credit may be arranged with the AE 590 instructor. The make-up may include giving an AE 590 seminar.
